

Vote for Barbara Klausner on Nov 6!

Endorsed by the **Palo Alto Weekly**

"...leadership at a time when the board needs to become a more cohesive whole...both a teacher and a curriculum developer in Palo Alto schools... Klausner has helped launch new district-wide reading- and math-improvement programs. A high-energy self-starter..."

Barbara Klausner PALO ALTO **School Board**

"It takes an extraordinary person like Barbara to be on the Palo Alto school board. She already has relationships in the district. People know her, have high regard for her and trust her judgment."

— Joe Simitian, California State Senator

Dear Friends of the Palo Alto Schools,

I am a former lawyer and a Palo Alto parent of three who has seen the entire K-12 spectrum – but what distinguishes me is my decade of experience as a professional educator in our Palo Alto schools. In collaboration with teachers, principals and parents, I have taken our community's demanding goals for educational excellence and translated them into programs and classroom practices. I am inspired by the commitment to excellence that runs through our schools and our community.

As the only educator on the school board, I will ensure that the board's actions direct our resources toward the greatest educational benefit for all students, and that they make sense in the classroom.

Please support me with your vote on November 6.
